

# 2017 Summer Meeting

## At the Lake of the Ozarks!!

### July 21-23

At this point in the year the MFPA Summer Meeting seems pretty far off, but before we know it we will be reviewing committee meeting agendas, signing up for golf to support Log A load for Kids, and making plans to participate and attend the Associate Member Exhibition! We are making a move this summer to the Lake of the Ozarks and we extend a formal invitation to you to join us at Old Kinderhook in Camdenton, Missouri! We are excited to host the meeting at Old Kinderhook because the entire hotel will be occupied by MFPA members, providing great opportunities for networking and socializing. We are trying to provide a balance of time dedicated to conducting MFPA business, education seminars, socializing, eating good food, and having fun.

MFPA Committee Meetings start Friday morning and run throughout the day into the Associate Member Exhibition and Welcome Reception BBQ. Our Committees are focused on various areas of the wood products industry and work to keep the industry moving into the future. Friday evening, visit with our Associate Member Exhibitors and find out all they have to offer to our industry members while enjoying BBQ, playing sand volleyball, cooling off in the pool, and admiring the beautiful scenery.

We are assembling an excellent line up of folks invited to speak to members at our General Education Session with a focus on the future of the wood products industry. *What's Next?* is the question we are asking and our speakers will answer the question on various areas of the industry. Saturday night entertainment includes dinner and music at Old Kinderhook. We are excited to have our family dinner entertainment coming to us again this year! We welcome The Brandon Cuning Band on Saturday night and some 50's Memphis Rock 'n' Roll. Straight from Memphis' Beale Street, Brandon Cuning will be rocking the great sounds that take us back to a simpler time. It doesn't get more authentic than this. Get ready for a jumping good time as Brandon and his band "deliver the goods!"

On Sunday, July 23th participate in the Log A Load for Kids Golf Outing Fund Raiser at The Old Kinderhook Golf Course. The Log A Load for Kids program raises

money for treatment and research associated with children's health.

Donations made through the Log A Load Campaign goes directly to the Children's Miracle Network Hospitals enabling these hospitals to better serve the children within their surrounding area.

***Treat it as part of your vacation, participate on committees, attend seminars, enjoy The Brandon Cuning Band entertainment, sponsor an event, join us at The Lake of the Ozarks this summer!!***

# 2017 Summer Meeting

## MFPA Associate Members Exhibition

Calling all MFPA Associate Members, join us at the Summer Meeting July 21-23rd and participate in the annual MFPA Associate Members Exhibition!!
