

# The MFPA 401(k) Syndicate

## Strength in Numbers

A small business faces an uphill battle when it comes to offering a retirement plan. Higher costs, limited-service, and fewer investment options can make it difficult to provide a competitive 401(k). These combined factors often create operational hurdles and financial stress for employers and employees alike.

Imagine accessing a 401(k) plan with the pricing and features usually available only to larger companies. Our 401(k) Syndicate unites a group of employers - primarily small businesses - to deliver a high-quality, flexible retirement plan powered by innovative Fintech solutions with group-based pricing.

## Benefits of the MFPA 401(k) Syndicate

- Quick Setup, Payroll Integration, and Efficient Administration
- Reduced Pricing for MFPA Members
- Outsourced Administrative 3(16) & Investment Fiduciary 3(38) Liability
- Employee Education & Engagement Programs
